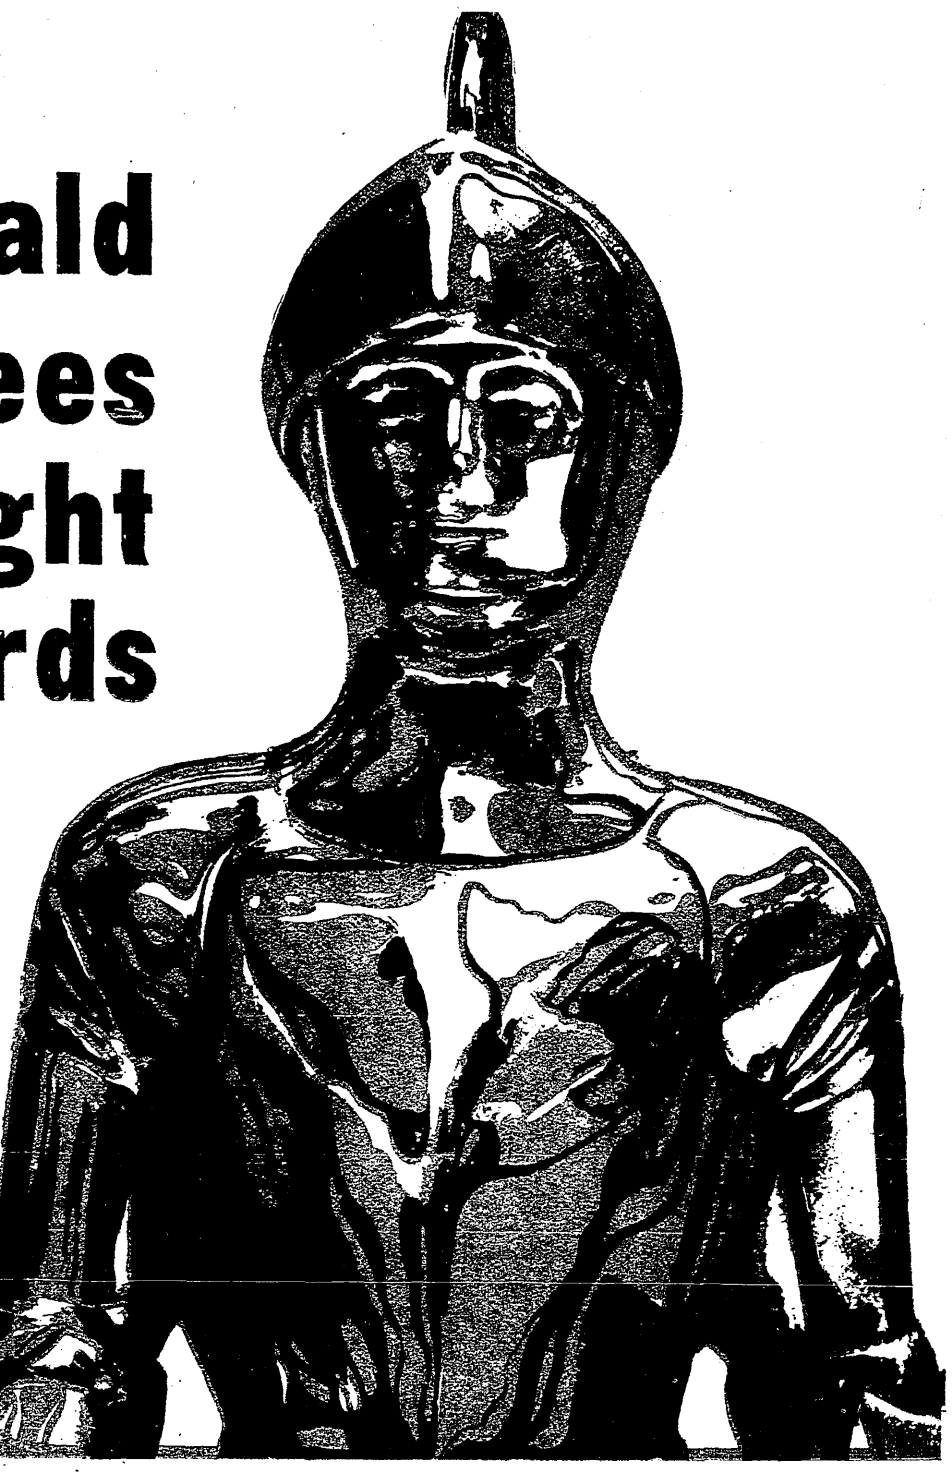
The Miami Herald *Salutes* 304 Nominees for Silver Knight Awards



A Silver Knight statue and $500 scholarship are bestowed upon an outstanding Dade County high school senior in each of 14 categories. The award is for service to school and community; it is neither a talent search nor scholastic competition. Its purpose is to alert young people to their future responsibilities as community leaders by recognizing the dedicated student who selflessly serves others.

Seniors were nominated by their schools, then personally interviewed by panels made up of outstanding individuals from the business, academic and professional communities.

They will be honored **Thursday, May 1, 8:00 p.m., Gusman Philharmonic Hall**
